### 2. Agenda items from Member Organizations

- a. The World Scout Committee will invite Member Organizations to suggest topics for inclusion in the agenda.
- b. Any topics which would require a two-thirds majority decision (Rule 6.b) must be proposed at least six months before the opening date of the Conference.
- c. Any topic proposed by five or more Member Organizations no later than five months before the opening date of the Conference, is to be included in the agenda.

### 3. Conference Officers

If the Conference does not approve the recommendation of Tellers, Member Organizations can propose alternative list(s) of Tellers for a vote.

The Tellers will oversee the voting procedure and count or verify the number of votes recorded.

- e. **Resolutions Committee:** A Resolutions Committee will facilitate and oversee the Draft Resolutions and Amendments process (Rule 6) before and during the Conference according to its Terms of Reference (Annex 2A).

The World Scout Committee will, no later than six months before the opening date of the Conference, request Member Organizations to nominate persons for the Resolutions Committee. Resolutions Committee members are to be delegates or observers of a Member Organization present at the Conference.

The World Scout Committee will, no later than four months before the opening of the Conference, provisionally appoint six members to serve as the Resolutions Committee and appoint its Chairperson from within those members.

The World Scout Committee will draw these appointees from the nominations received and from other individuals based on the required expertise and diversity across the delegations. Any appointed person will require the endorsement of their Member Organization.

The World Scout Committee will notify all Member Organizations of the persons it provisionally appoints to the Resolutions Committee.

- a. During Conference plenary sessions, the Conference Chairperson will decide who will be invited to occupy seats on the platform or any virtual platform.

## 14. Working methods

### 14.1. Select Committee

#### *i) Purpose*

The purpose of a Select Committee is to study certain specific proposals introduced in plenary sessions of the Conference and to consider their merits. A Select Committee will consider opinions on the proposal and seek to reach a consensus.

The Select Committee will make formal recommendations to a later plenary session. No discussion of the merits of the subject will take place in plenary sessions, where only questions for clarification will be accepted prior to formal voting.

This procedure is similar to that used in many national assemblies for detailed study of proposed legislation before it is referred to the full body of the assembly for a vote. This method is intended to enable the Conference to handle more work expeditiously within the limited time available.

#### *ii) Participation*

One delegate per Member Organization selected by their delegation for their knowledge of the subject to be considered will serve on any Select Committee.

Member Organizations so desiring can send additional people as observers. They will not have right of voice or vote.

The World Scout Committee Members as well as the Youth Advisors to the World Scout Committee, have the right to speak but not to vote at the Select Committee.

The Chairperson of the Select Committee will be appointed by the Conference Steering Committee.

Each Select Committee will appoint a Rapporteur.

*iii) Select Committee Voting Procedure*

Any proposed recommendation from a Select Committee will be agreed or dismissed after a vote.

Select Committee motions will be passed or otherwise by a simple majority.

Each Select Committee delegate will have one vote.

Votes on Amendments to motions will be taken first.

After debate Amendments can be withdrawn at the request of the proposer.

The number of votes 'for' and 'against' motions in the Select Committee will be recorded and presented to the full Conference. This will enable all delegates to be aware of the strength of opinion – 'for' or 'against' – each recommendation.

*iv) Resumption in Plenary Session*

Prior to resumption in Plenary Session the Resolutions Committee will seek to group proposals from the Select Committee for voting purposes.

On resumption of the subject in a Plenary Session of the Conference, the Rapporteur will present the recommendations, with any necessary explanation. They will also mention dissenting opinions, if appropriate.

There will be no debate in plenary session but the Conference Chairperson can allow questions for clarification.

Amendments proposed by Member Organizations in the Select Committee to any given motion which have not been recommended by the Select Committee and which have not been withdrawn by the proposing Member Organization, will be referred back to the plenary session and will be voted upon first.

Then each Amendment recommended by the Select Committee will be voted upon.

Finally, the full motion, incorporating only those Amendments which have passed, will be voted upon.

## 14.2. Other working methods

- a. Other informal working methods proposed by the Conference Steering Committee can be used as agreed by the Conference.
